On August 15, 2025, over 100 golfers came together at River Valley Golf Club for the **23rd Annual Leo Kirwin Memorial Golf Tournament**. The day was filled with laughter, friendly competition, and plenty of impressive shots, as golfers of all levels enjoyed time on the course.

From a close call on our hole-in-one competition to someone throwing a 'hole-in-one' during our ball toss game, prompting a new rule for the game next year, the day was full of moments as entertaining as it was meaningful.

Because of the commitment and energy of the golfers, along with the support of sponsors and volunteers, this year's tournament raised over **\$44,000**. These funds will directly benefit the people supported at PHSS and help continue providing person-centered care and support across Ontario.

Thank you to all the golfers for their participation and sportsmanship, to the Kirwin family for their ongoing support, to River Valley Golf Club for providing an exceptional course that made the day possible, and to Kevin Baxter, who always shows up with free refreshments and a basketball game to keep golfers entertained on the course.

A special thank-you also goes to the tournament planning committee and volunteers, whose hard work ensured the day ran smoothly and was a success from start to finish.
